

About Us

Solutions for your Conveying Applications

Mission :

- *Design & Build High Quality Conveying Systems for the Toughest Material Handling Applications.
- *Provide Standard as well as Custom Designed Conveyors.
- *Our Goal is to make it Simple to Purchase a Material Handling Solution.

Industries Served:

- | | |
|--------------------------|--------------------|
| *OEM Machine Integration | *Packaging |
| *Robotic Automation | *Clean Room |
| *Assembly/Test | *Labeling |
| *Vision Inspection | *Stamping |
| *Food Processing | *Injection Molding |
| *Pharmaceutical | *Automotive |

About Us

Solutions for your Conveying Applications

Computer-Aided Design :

*We offer 3D Models and 2D Drawings of your Application

*Downloadable Drawings @ www.directconveyors.com

Location:

*We are Centrally Located just outside of Indianapolis, in Franklin, Indiana. Our Central Location Allows us to Service most U.S. Industrial Locations in One to Two Days.

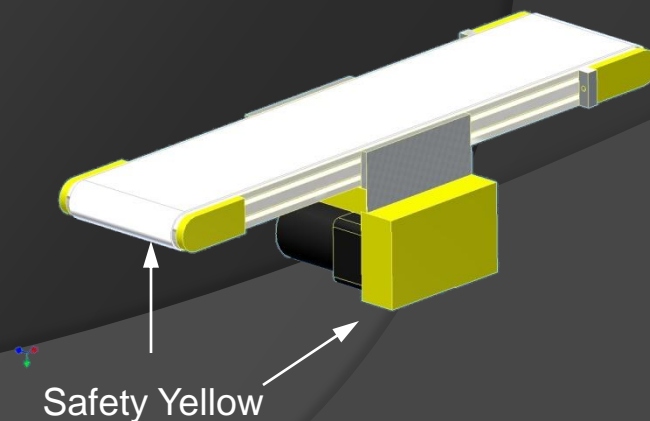

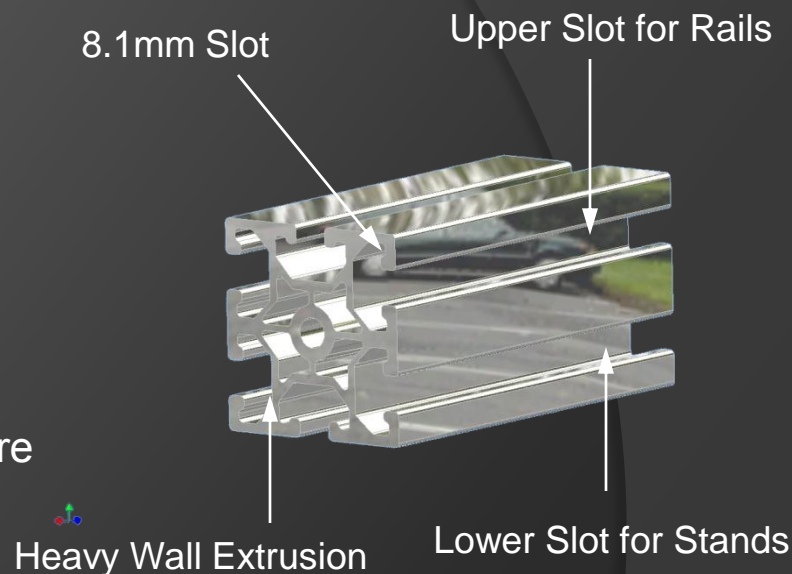

Product Design Highlights

Solutions for your Conveying Applications

Mechanical :

- *Heavy Wall Extrusion with Dual "T" Slots
- *8.1mm "T" Slot for Commercially Available Hardware
- *Sealed Bearings
- *Belts Welded Endless
- *Safety: Head/Tail Holders and Guards are Safety Yellow

Product Design Highlights

Solutions for your Conveying Applications

Electrical :

- *Variable Speed Controllers
(Din Rail Mount or Nema-12)
- *Variable Speed Controller Kits for OEM's
- *Harsh Environments (Nema-4X)
- *Fix Speed with On/Off Switches as Option
- *Controls Cords with Quick Disconnects as Standard

Quick Disconnect

Flat Belt Conveyors 48FB & 74FB Series

Solutions for your Conveying Applications

Flat Belts :

*48 Series Low Profile - 48mm (2")

*74 Series Medium Duty – 74mm (3")

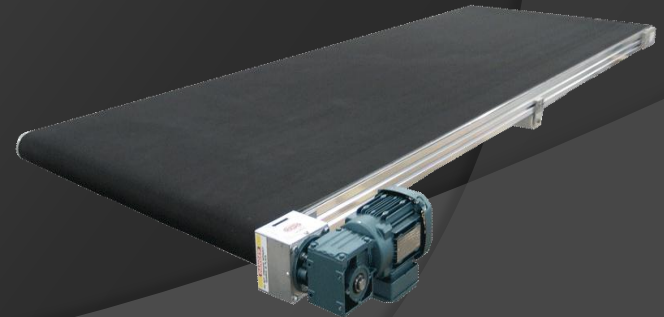

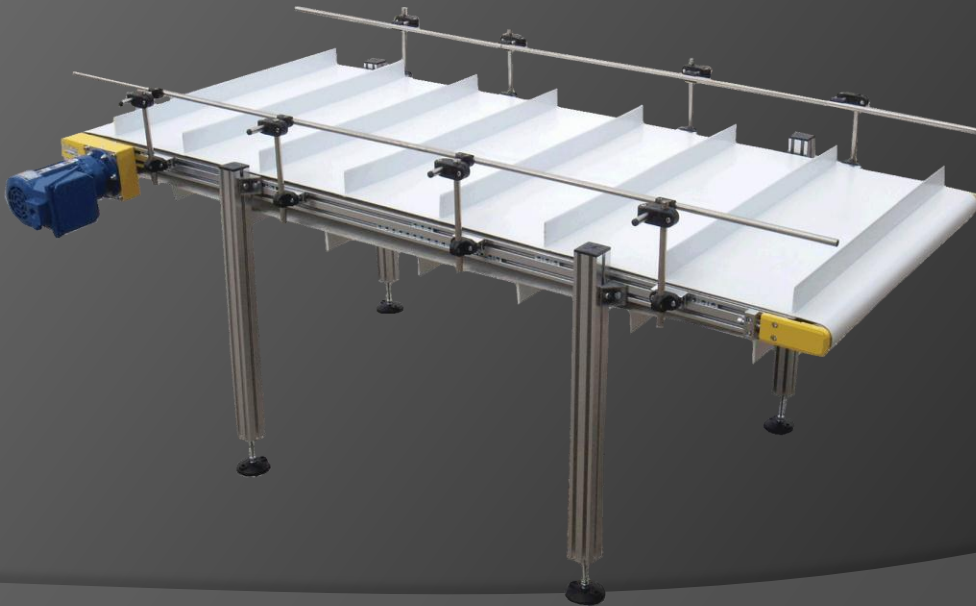

Flat Belt Conveyors 48FB & 74FB Series

Solutions for your Conveying Applications

Flat Belts :

*48 Series Low Profile - 48mm (2")

*74 Series Medium Duty – 74mm (3")

Flat Belt Conveyors 48FBZ & L & 74FBZ & L Series

Solutions for your Conveying Applications

Flat Belts :

*48FBZ & 48FBL Series Low Profile - 48mm (2")

*74FBZ & 74FBL Series Medium Duty – 74mm (3")

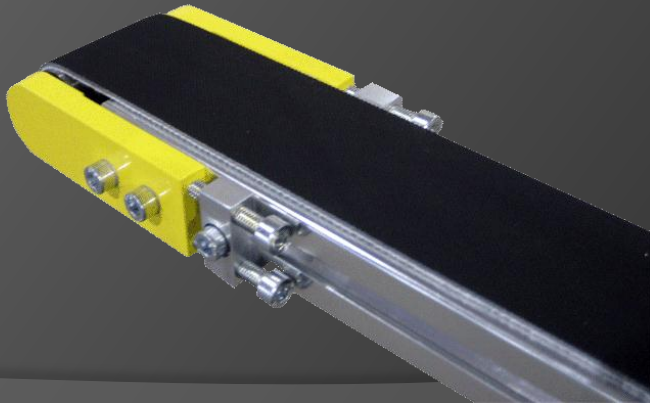

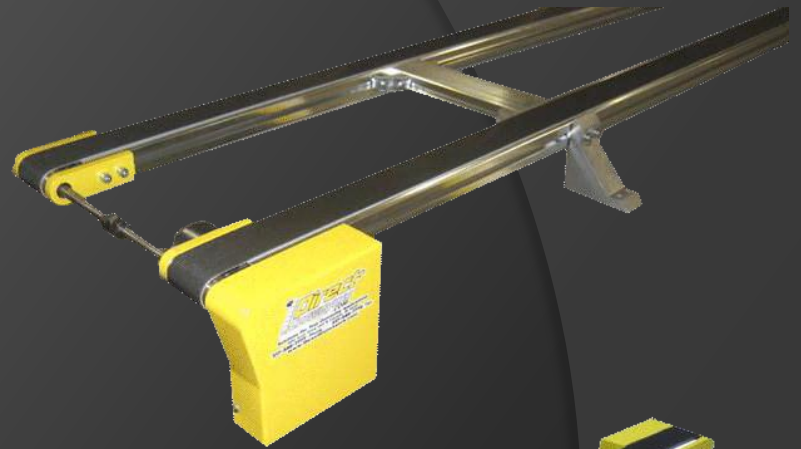

Flat Belt Conveyors 30FB Series

Solutions for your Conveying Applications

Flat Belts :

*30FB Series Ultra Low Profile – 30mm (1.2")

Flat Belt Conveyors 60FB Series

Solutions for your Conveying Applications

Flat Belts :

*60FB Series Ultra Narrow – 30mm (1.2”) Wide

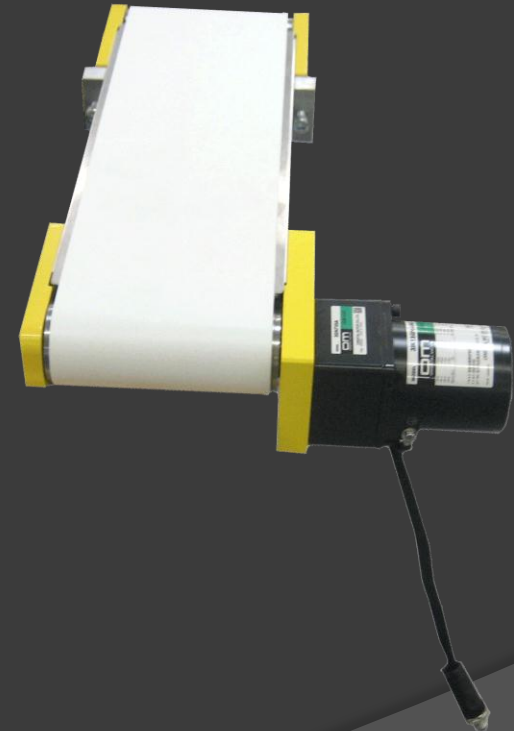

Flat Belt Conveyors 48FBM (Mini Motor) Series

Solutions for your Conveying Applications

Flat Belts :

*48FBM Mini Series (Small Compact Motor)

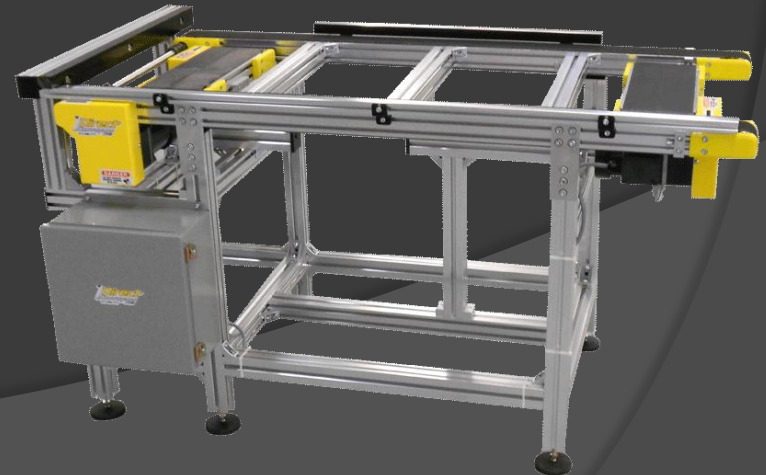

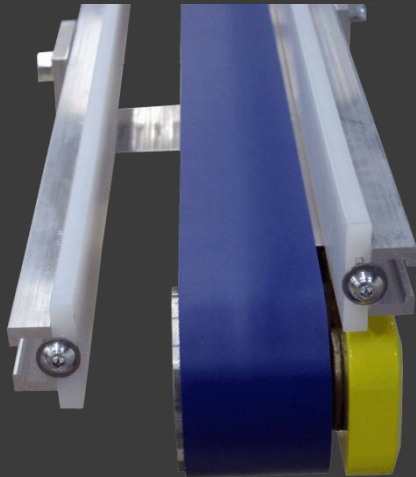

48mm (2") Low Profile

Special Design Flat Belt Conveyors

Solutions for your Conveying Applications

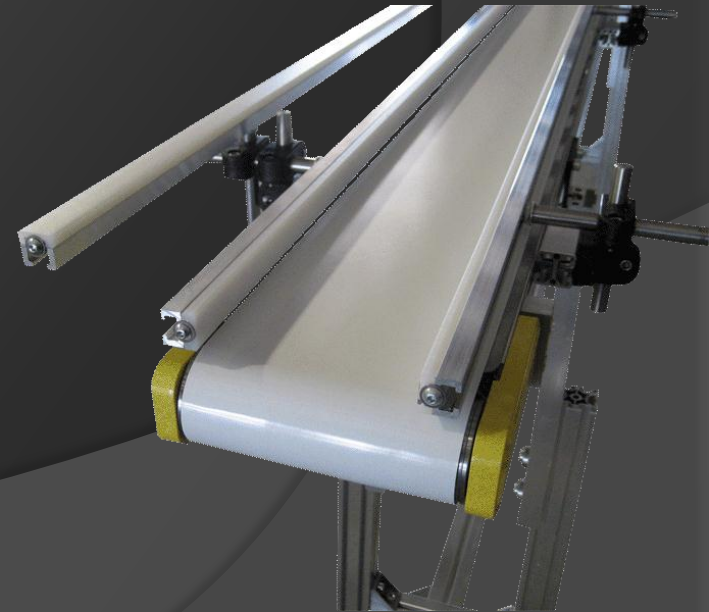

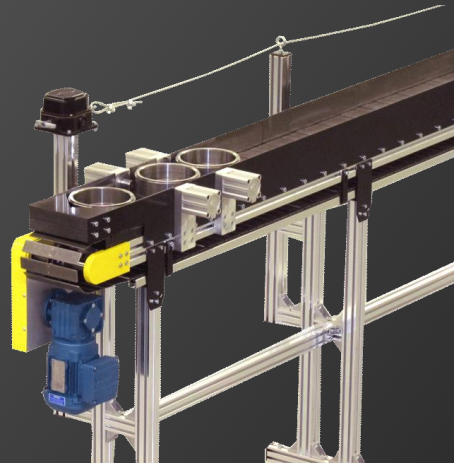

Flat Belt Accessories

Solutions for your Conveying Applications

Flat Belts Accessories :

- *Guide Rails
- *Drip Pans

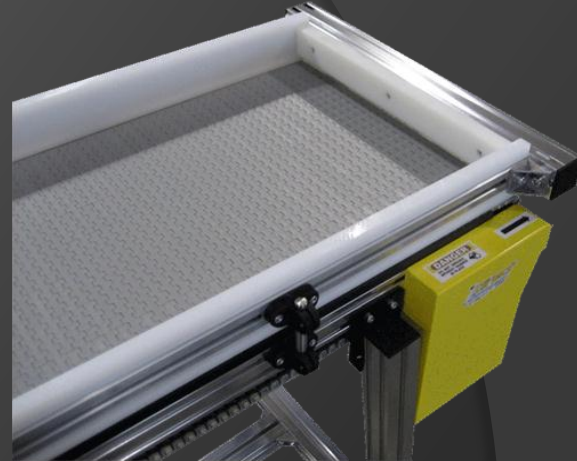

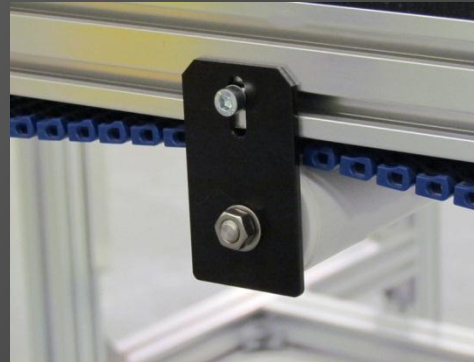

Flat Belt Accessories

Solutions for your Conveying Applications

Flat Belts Accessories :

- *End Stops
- *Belt Supports
- *Encoders
- *Sensors

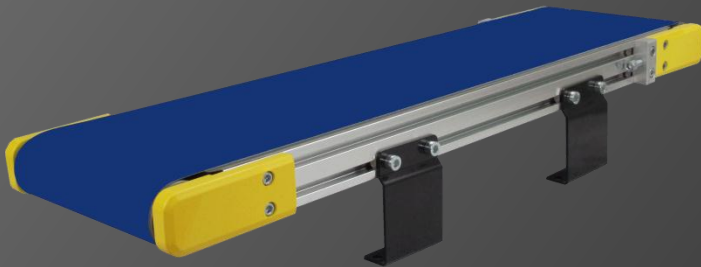

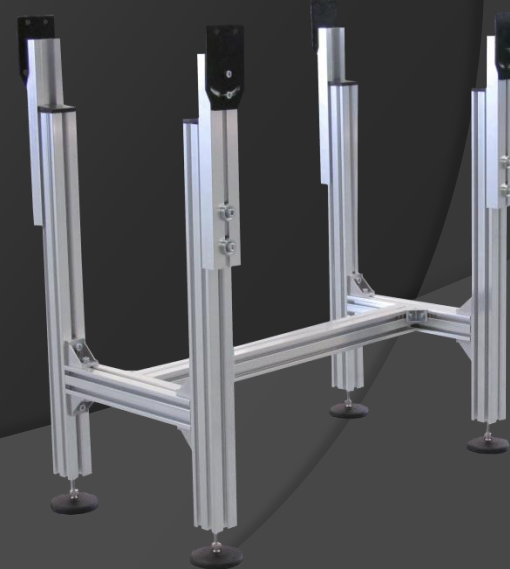

Solutions for your Conveying Applications

Flat Belts Accessories :

*Stands & Mounts

Flat Belt Accessories

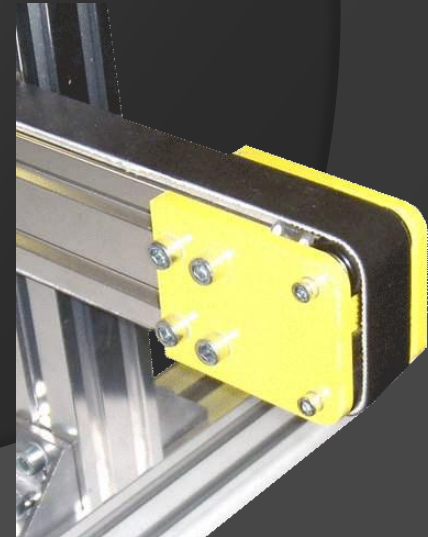

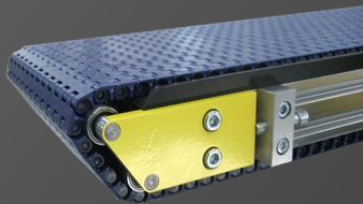

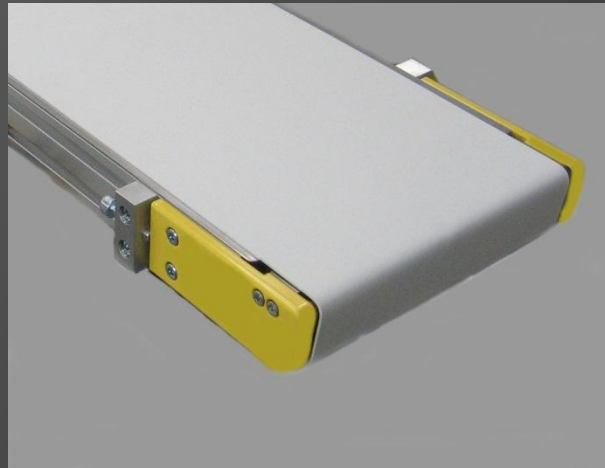

Flat Belt Accessories

Solutions for your Conveying Applications

Flat Belts Accessories :

- *Rolling Knife Edges
- *Fixed Knife Edges

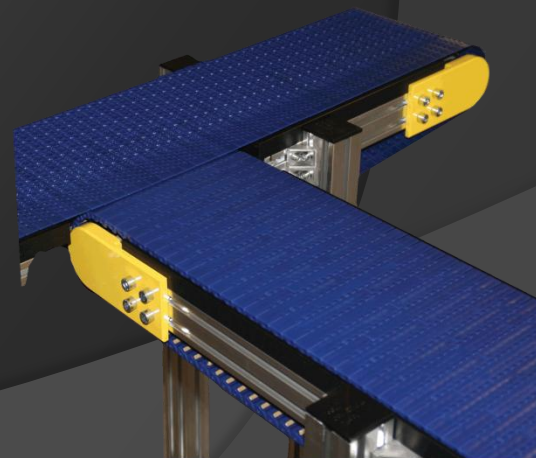

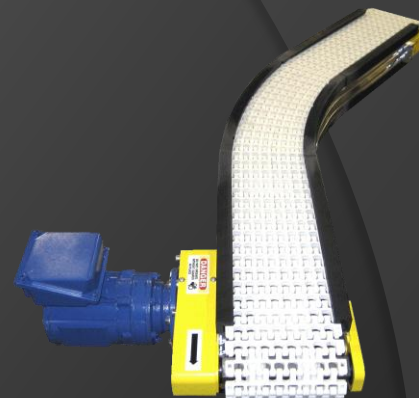

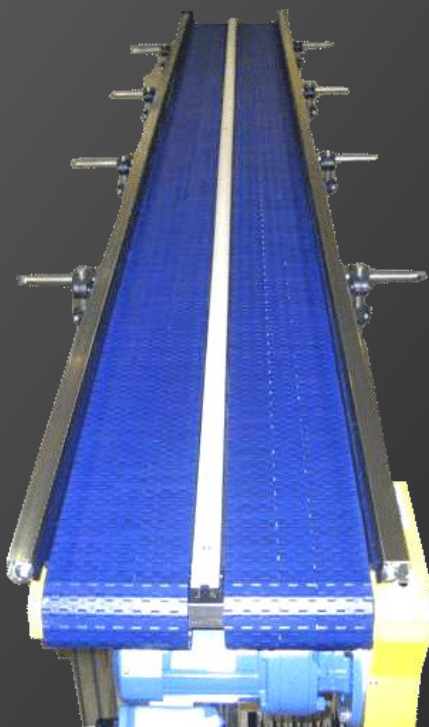

Modular Plastic Conveyors 48MPB & 74MPB Series

Solutions for your Conveying Applications

Modular Plastic Belts :

- *48MPB Series Low Profile
- *74MPB Series Medium Duty
- *Modular Plastic Curves
- *"Z" Style & "L" Style

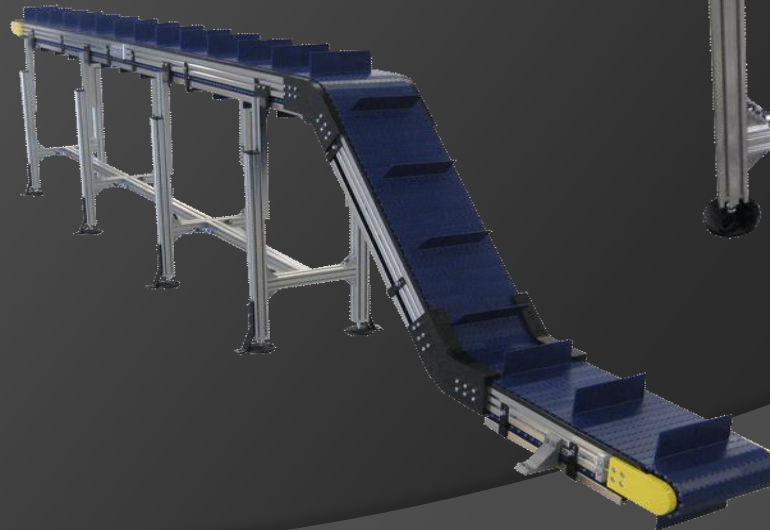

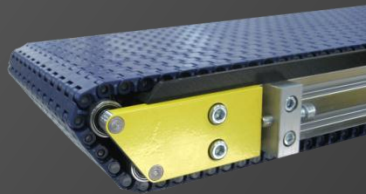

Modular Plastic Conveyors 48MPB & 74MPB Series

Solutions for your Conveying Applications

Modular Plastic Belts :

- *48MPB Series Low Profile
- *74MPB Series Medium Duty
- *Modular Plastic Curves
- *"Z" Style & "L" Style

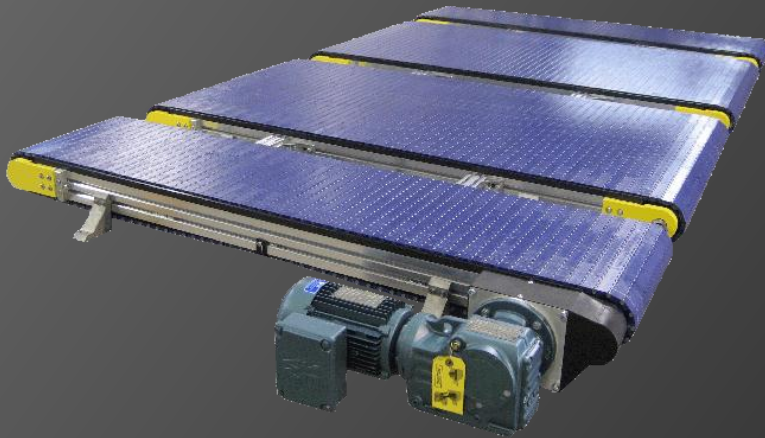

Solutions for your Conveying Applications

Modular Plastic Conveyors Multiple Lane & Roller Top

Accumulating Roller Top

Four Lane Flat Top

Modular Plastic Conveyors Multiple Lane & Cleated

Solutions for your Conveying Applications

Four Lane Indexing Cleated Belt

Two Lane Cleated Belt w/ Adjustable Legs

Timing Belt Conveyors

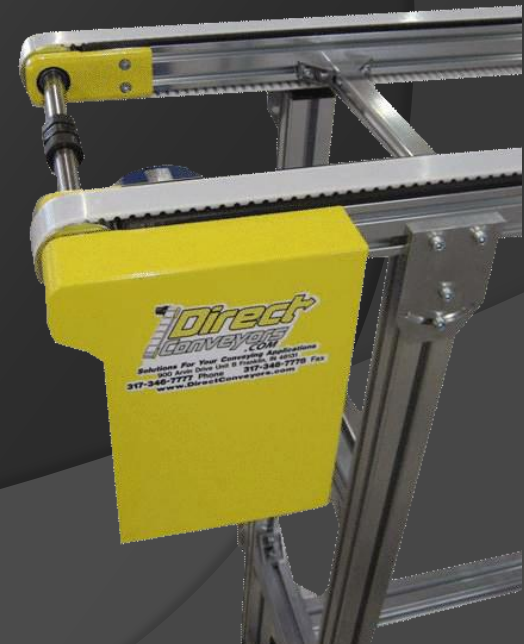

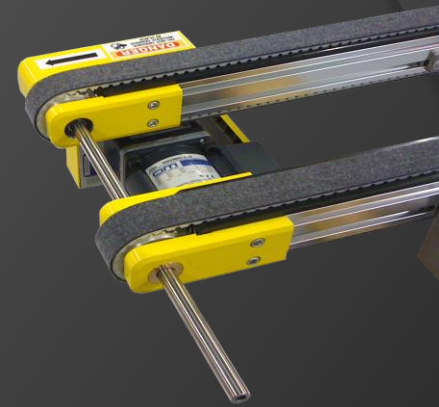

Solutions for your Conveying Applications

Timing Belts :

*Styles:

*Single Lane

*Multiple Lane

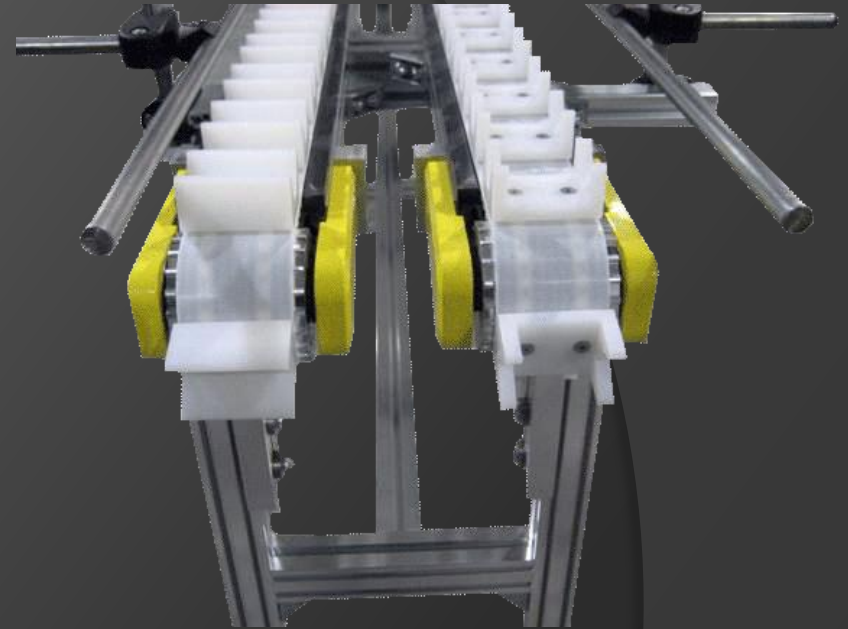

Indexing Timing Belts Conveyors

Solutions for your Conveying Applications

Indexing Conveyors :

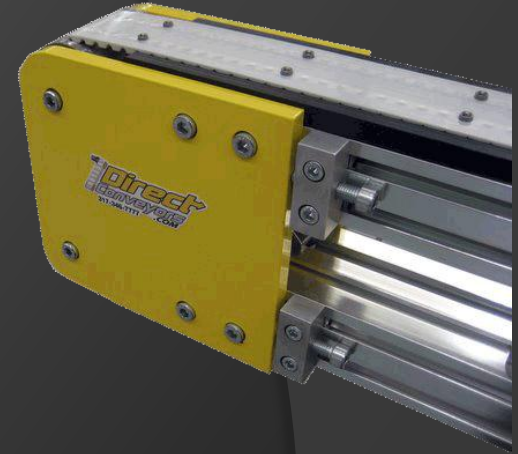

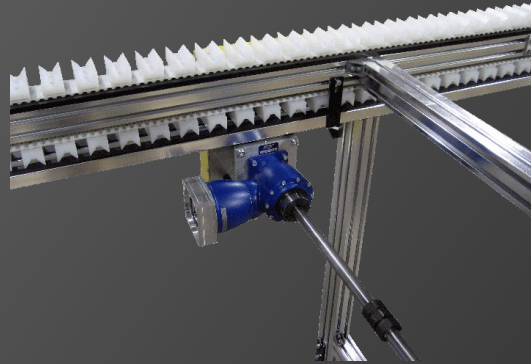

- *Timing Belt Molded on Fixtures
- *Timing Belt Bolt on Fixtures

Indexing Timing Belts Conveyors

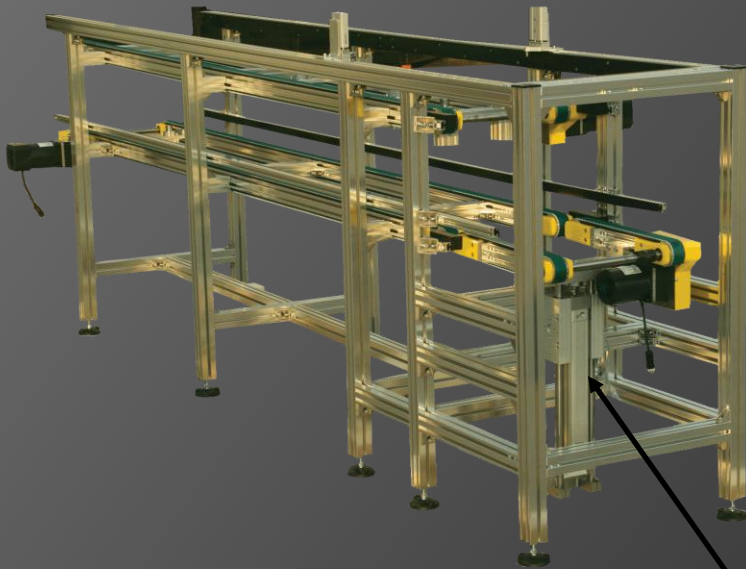

Solutions for your Conveying Applications

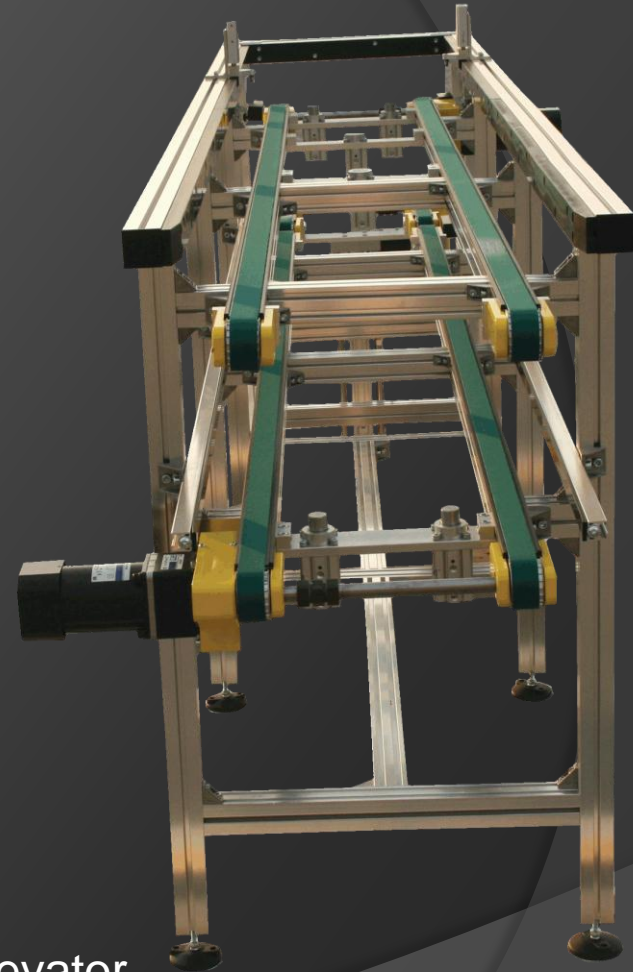

Tray Handling Systems

Solutions for your Conveying Applications

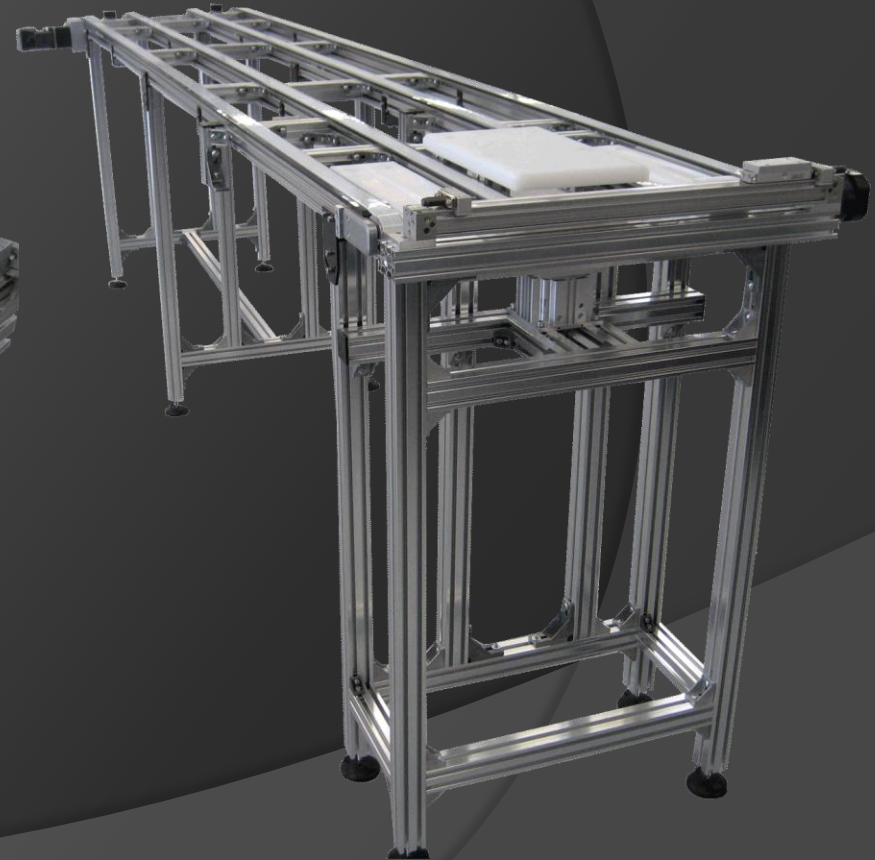

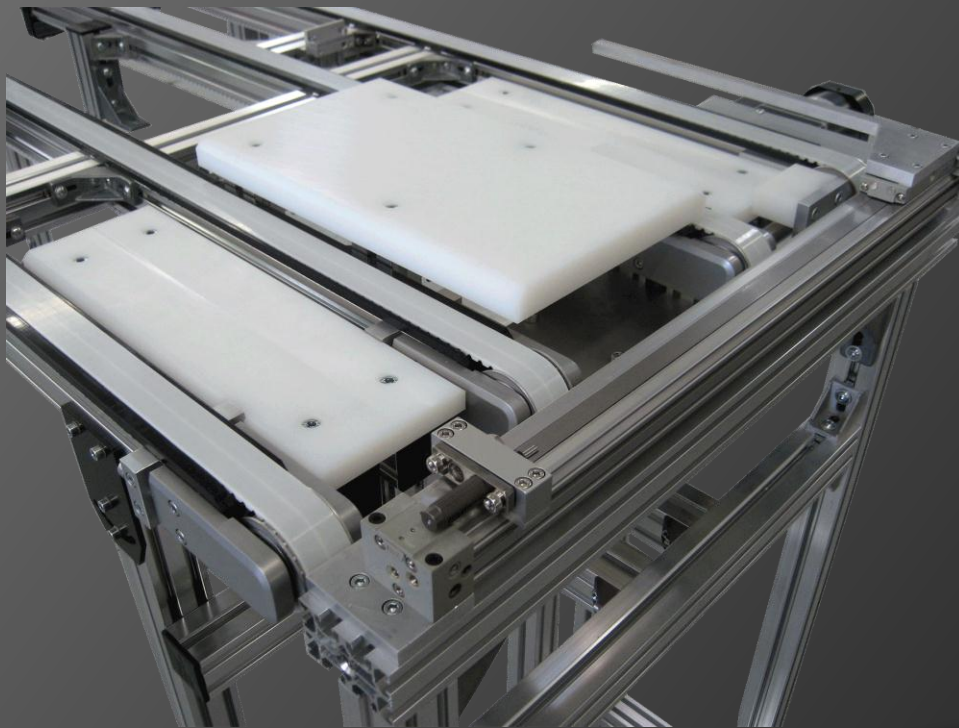

Pneumatic Lowerator / Elevator

Tray Handling Systems

Solutions for your Conveying Applications

Tote Handling Systems

Solutions for your Conveying Applications

Chain Conveyors

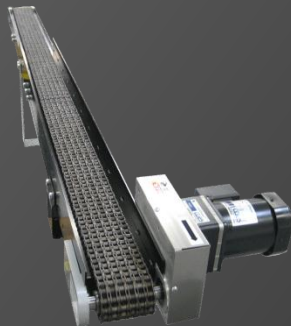

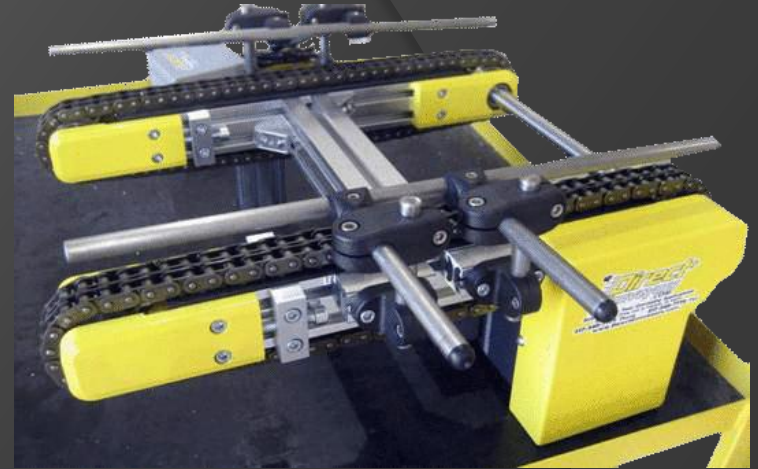

Solutions for your Conveying Applications

Chain Conveyors :

*Styles:

*Duplex Roller Chain

*Multiple Lane Chain Conveyors

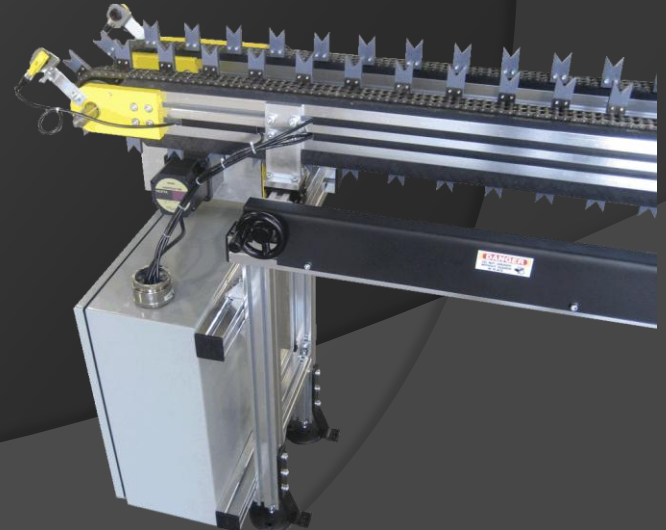

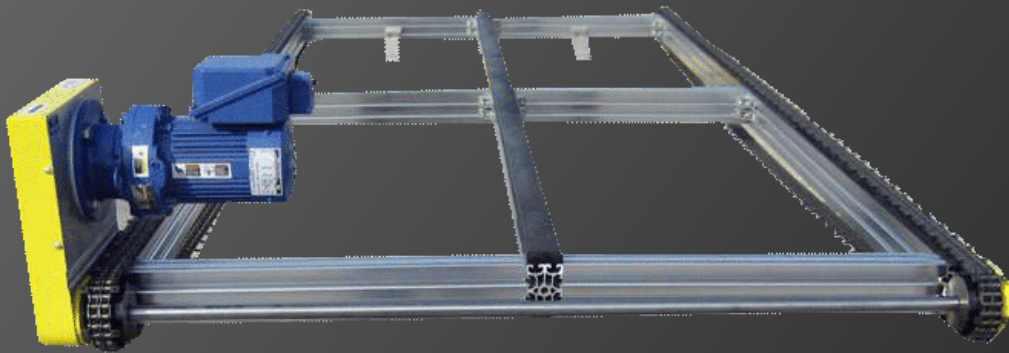

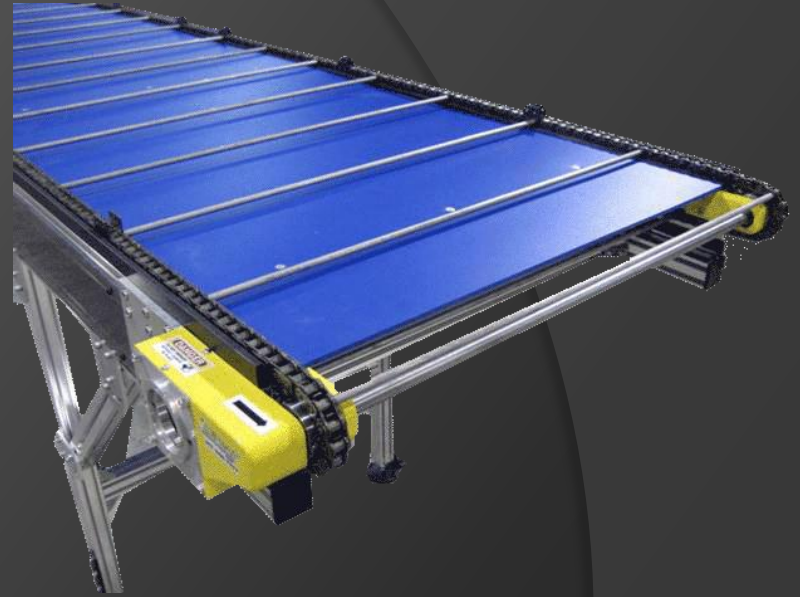

Solutions for your Conveying Applications

Indexing Conveyors :

- *Duplex Roller Attachment Chain
- *Adjustable Lane Chain Conveyors

Indexing Chain Conveyors

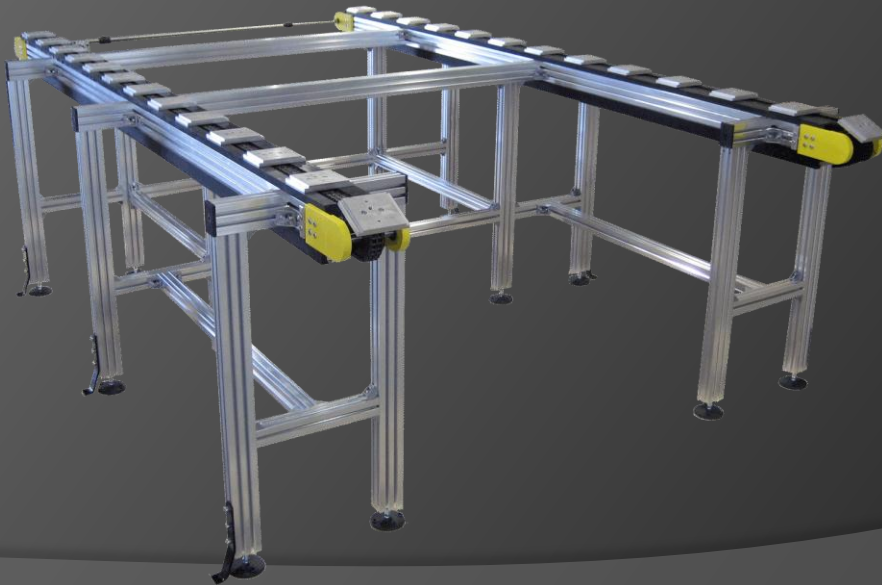

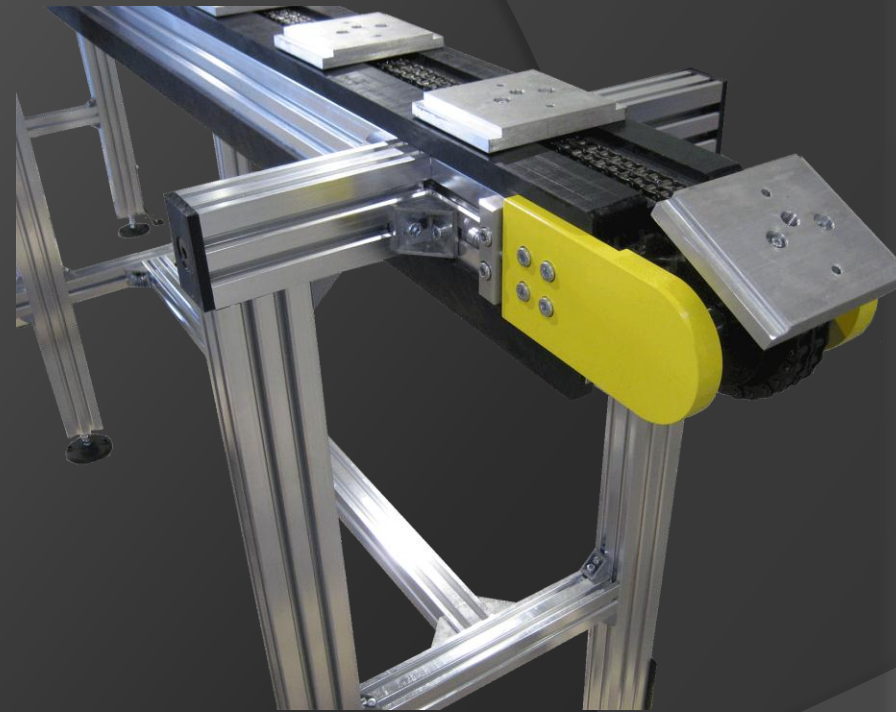

Indexing Chain Conveyors

Solutions for your Conveying Applications

Indexing Conveyors :

- *Duplex Roller Attachment Chain
- *Tooling Plate Attached for Customer's Tooling

Indexing Chain Conveyors

Solutions for your Conveying Applications

Indexing Conveyors :

- *Duplex Roller Attachment Chain
- *Carrousel Style

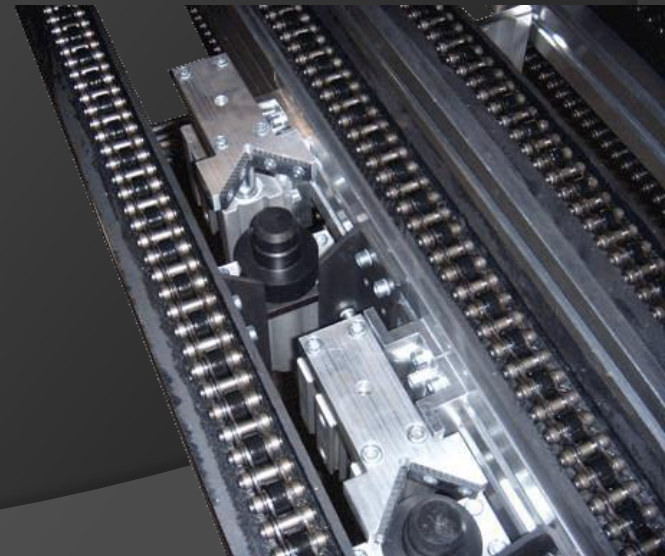

Solutions for your Conveying Applications

Chain Conveyors :

***Low Back Pressure Chain**

Low Back Pressure Chain

Flat Top Chain Conveyors

Solutions for your Conveying Applications

Chain Conveyors :

*Styles:

- * Plastic (SR & SF)
- * Steel (SR & SF)

Flat Top Chain Conveyors

Solutions for your Conveying Applications

Chain Conveyors :

*Styles:

* Dual lane

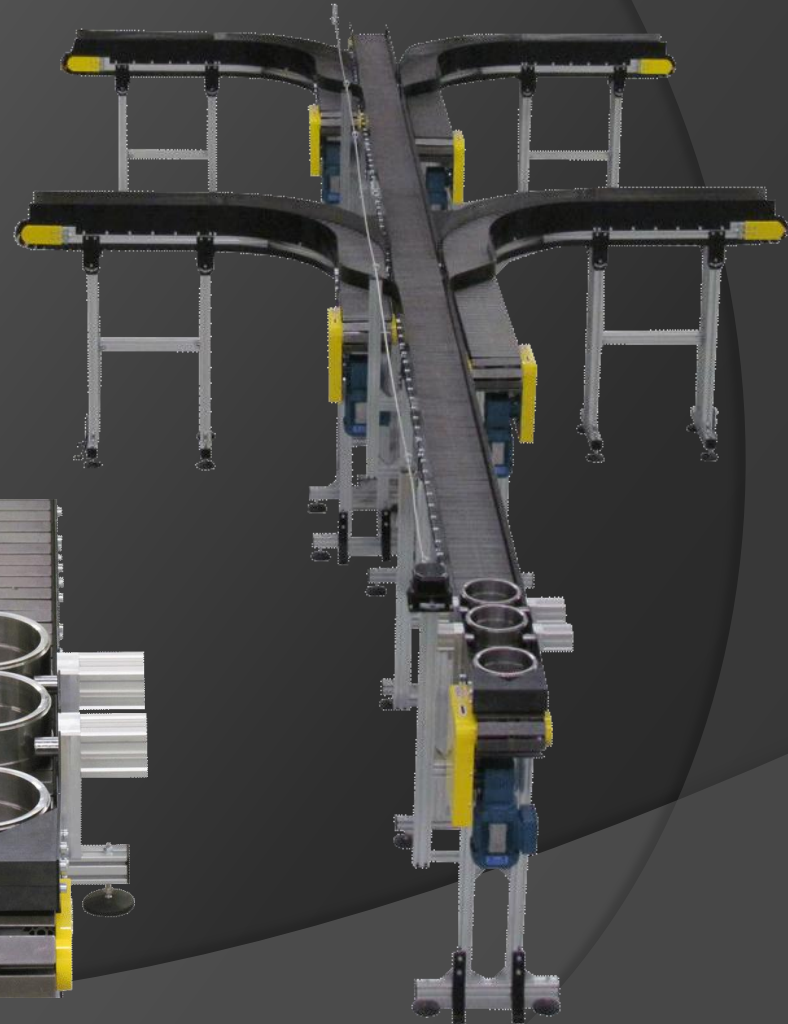

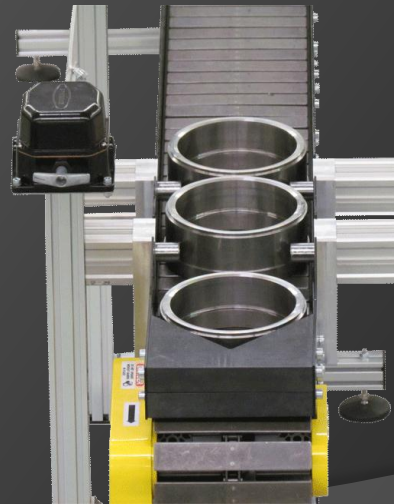

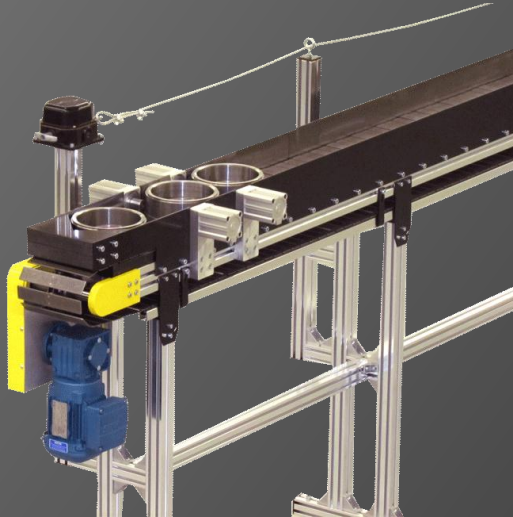

* Narrow Lane

Flat Top Chain Conveyors

Solutions for your Conveying Applications

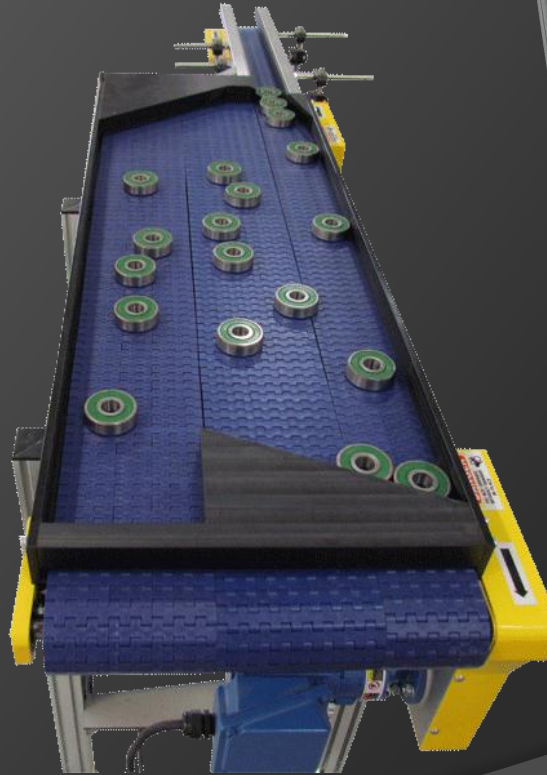

Accumulation Conveyors Bi-Flow

Solutions for your Conveying Applications

Specialty Conveyors :

*Bi-Flow Tables

Accumulation Conveyors First In / First Out

Solutions for your Conveying Applications

Specialty Conveyors :

*Accumulating (Storage) Conveyors

100 Series DS-LBP Non-Synch Pallet Conveyor

Solutions for your Conveying Applications

Pallet Conveyors :

*Low Back Pressure Double Speed Chain

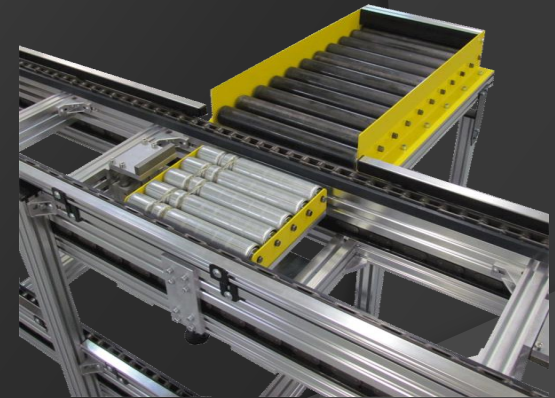

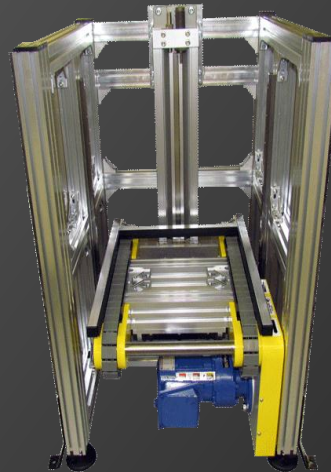

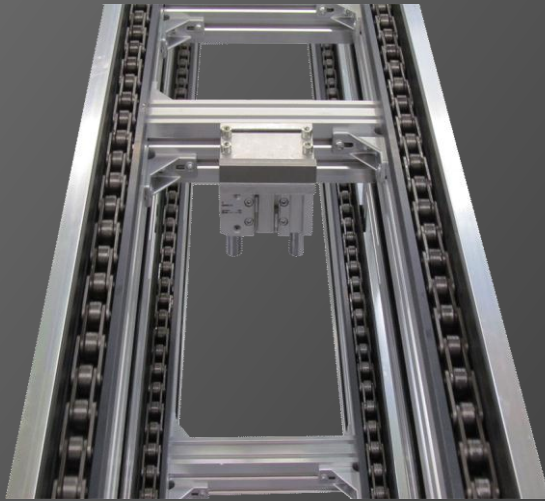

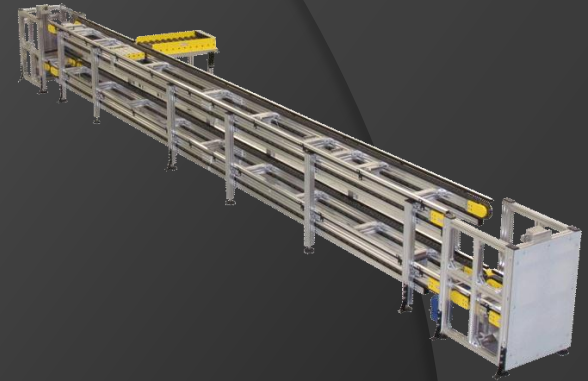

HD-LBP Series Non-Synch Pallet Conveyor

Solutions for your Conveying Applications

Pallet Conveyors :

*Low Back Pressure Heavy Duty Chain

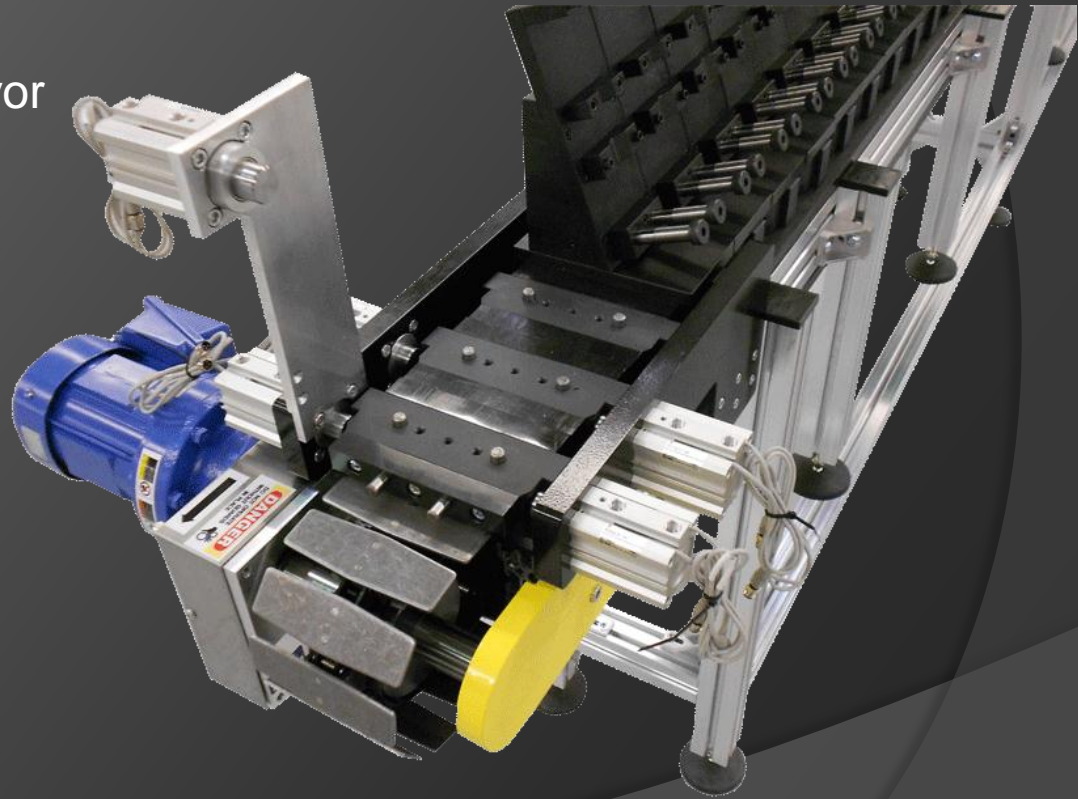

RFCC Series Non-Synch Pallet Conveyor

Solutions for your Conveying Applications

Pallet Conveyors :

*Over / Under Pallet Conveyor

Stainless Steel 65FB & 65MPB Series

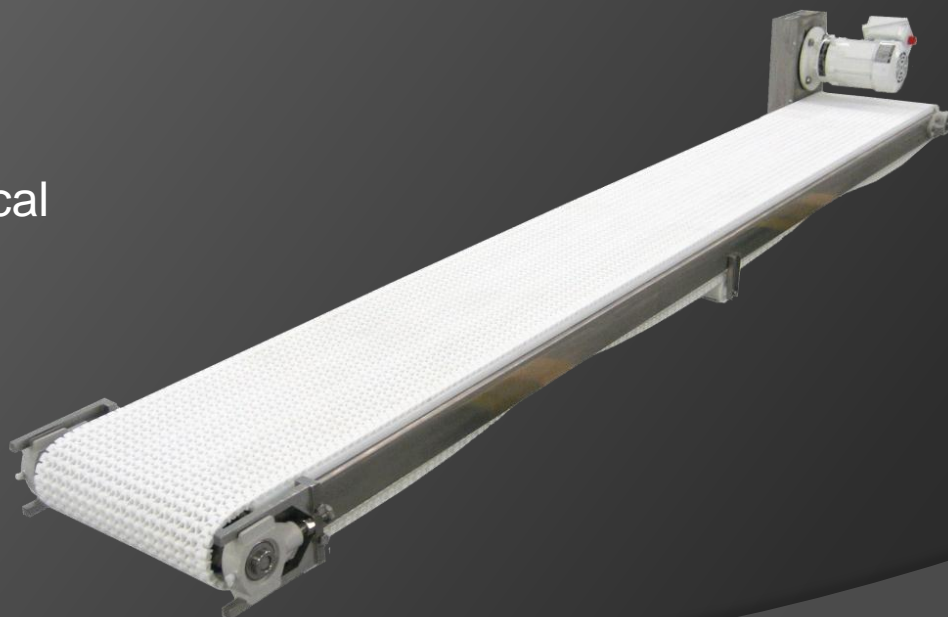

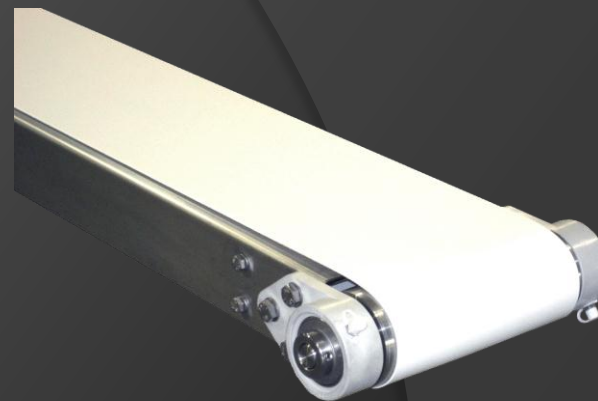

Solutions for your Conveying Applications

Stainless Steel Conveyors :

- *Flat Belt Low Profile Wash-Down
- *Modular Plastic Low Profile

Industries:

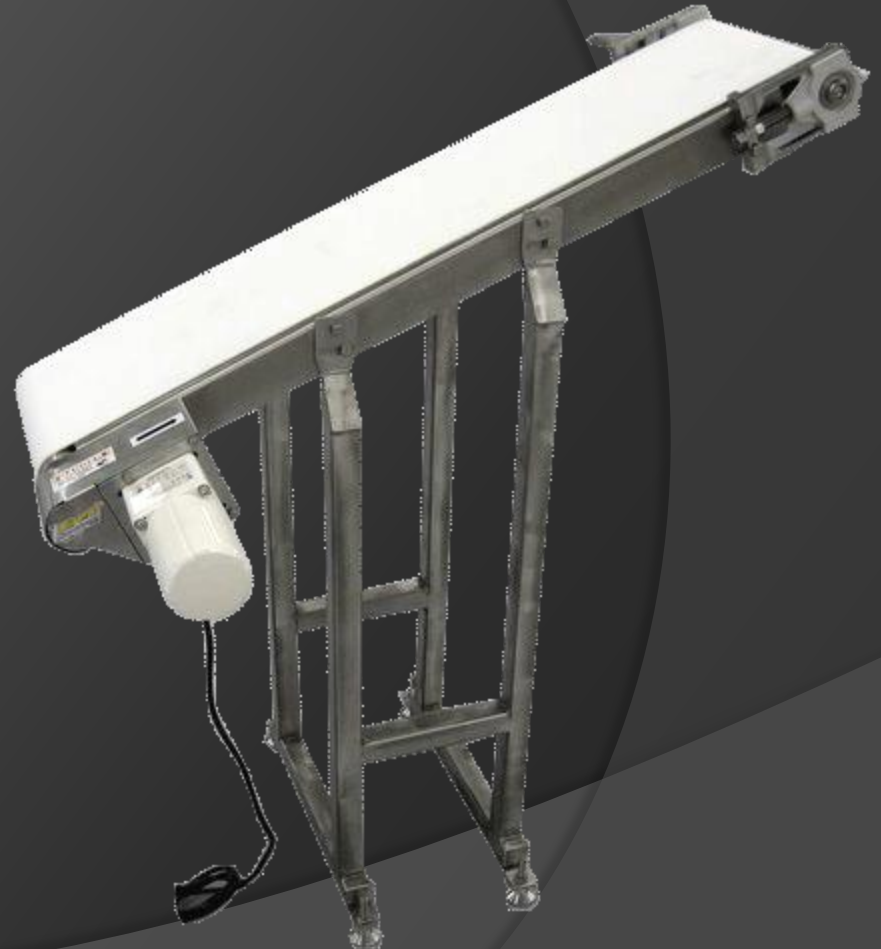

- *Food
- *Pharmaceutical

Stainless Steel 65FB Series

Solutions for your Conveying Applications

Wire Mesh Conveyors

Solutions for your Conveying Applications

Wire Mesh Conveyors :

- *Steel Belt
- *Stainless Steel Belt
- *Cleated

Solutions for your Conveying Applications

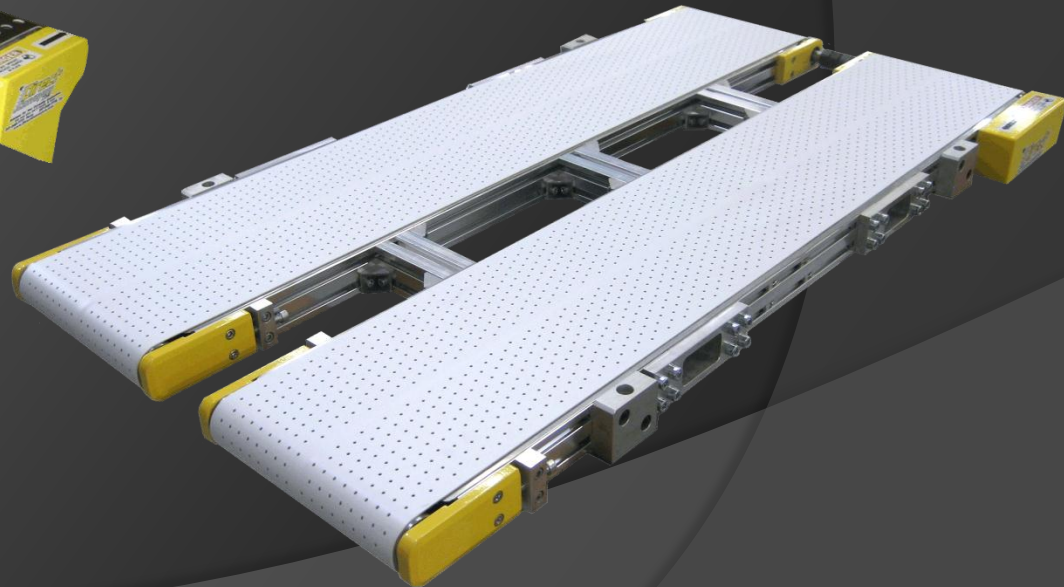

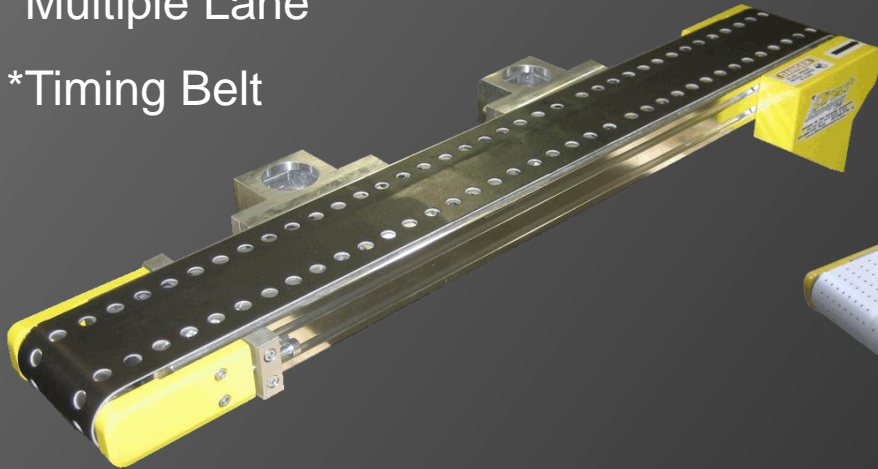

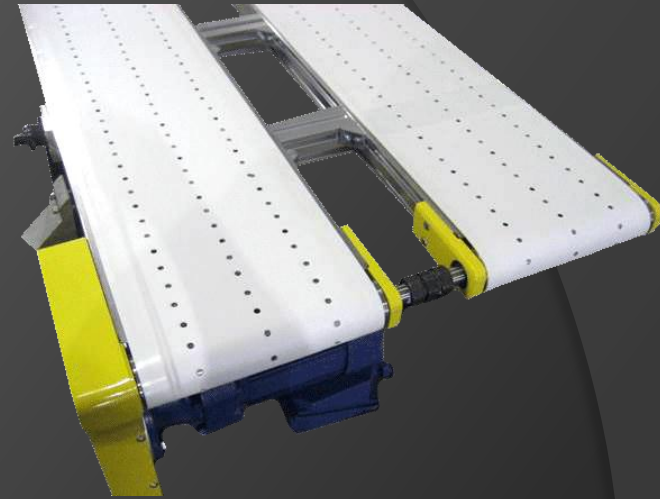

Vacuum Conveyors :

*Styles:

*Flat Belt Low Profile

*Multiple Lane

*Timing Belt

Vacuum Conveyors

Magnetic Conveyors

Solutions for your Conveying Applications

Magnetic Conveyors :

*Styles:

*Flat Belt Low Profile

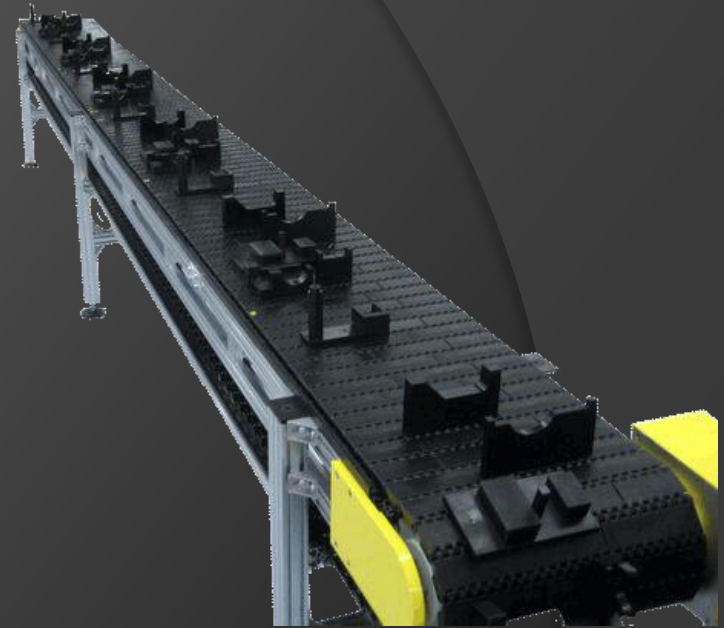

*Multiple Lane

Solutions for your Conveying Applications

Pace Lines for Assembly

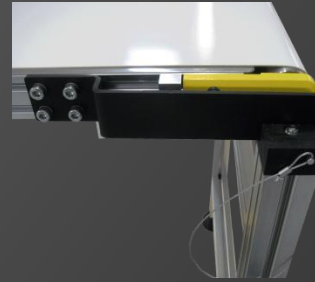

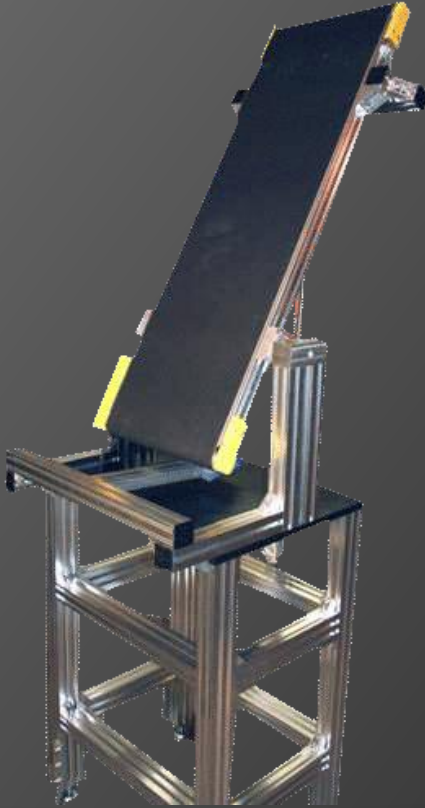

Solutions for your Conveying Applications

Specialty Conveyors :

*Lift Gate

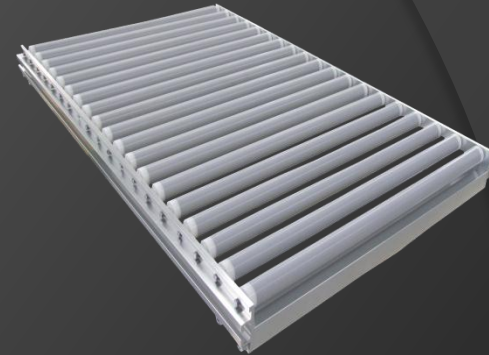

Specialty Conveyors

GR56 Series Gravity Roller Conveyors

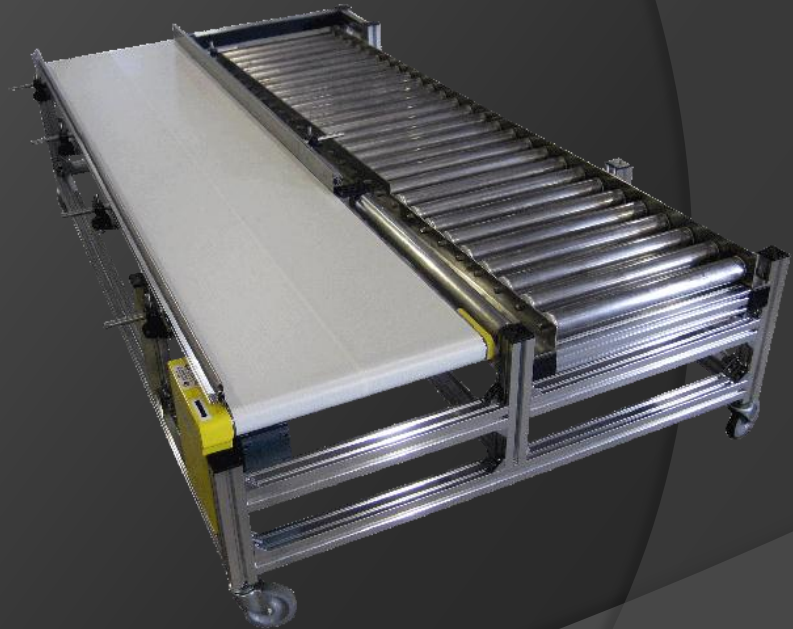

Solutions for your Conveying Applications

Custom Designed Roller Conveyors

Solutions for your Conveying Applications

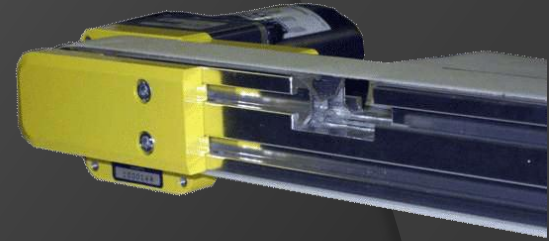

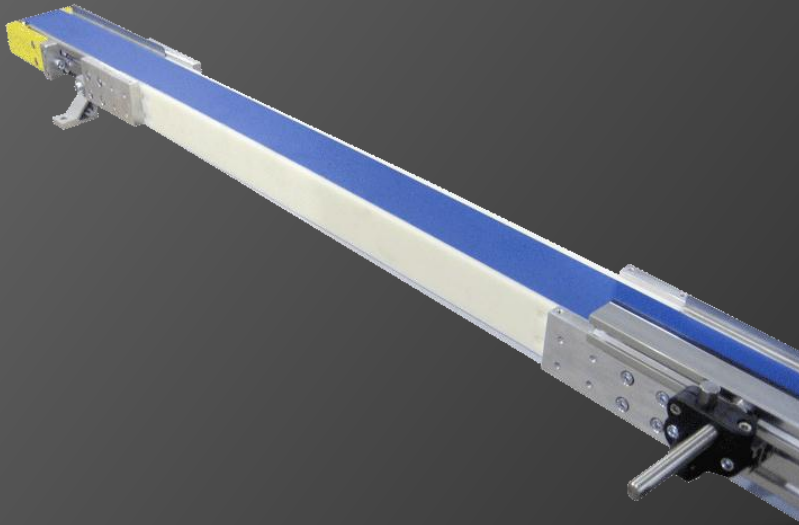

Specialty Conveyors

Solutions for your Conveying Applications

Specialty Conveyors :

- *Vision Backlit Conveyors
- *Metal Detection

Specialty Conveyors

Solutions for your Conveying Applications

Specialty Conveyors :

*Zoned Flat Belts

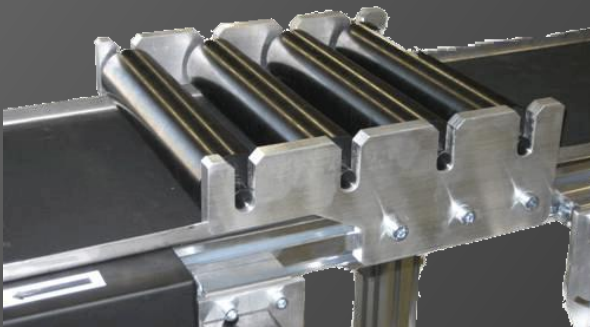

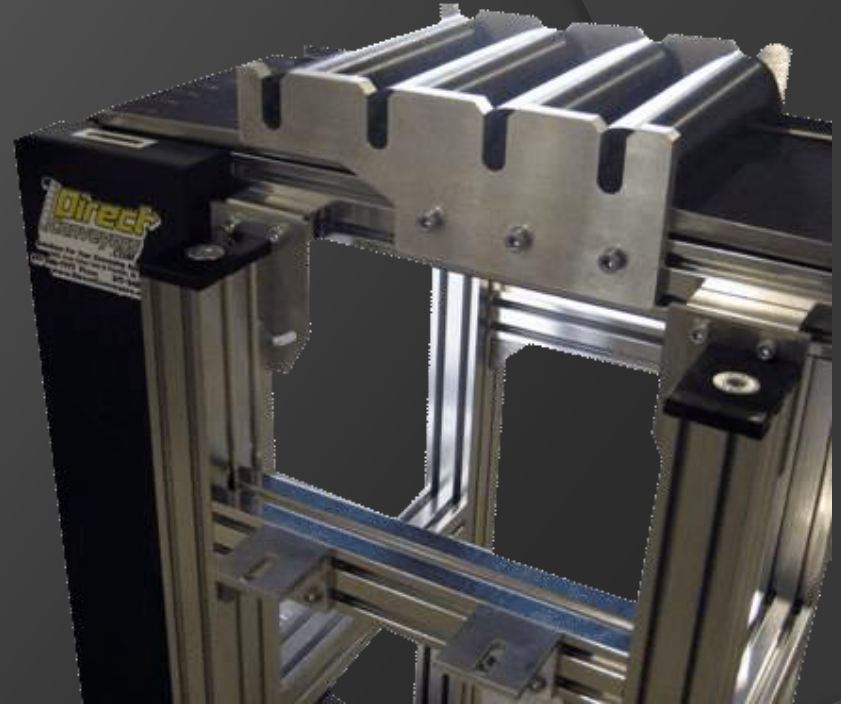

Specialty Conveyors

Solutions for your Conveying Applications

Specialty Conveyors :

*Demag Conveyors

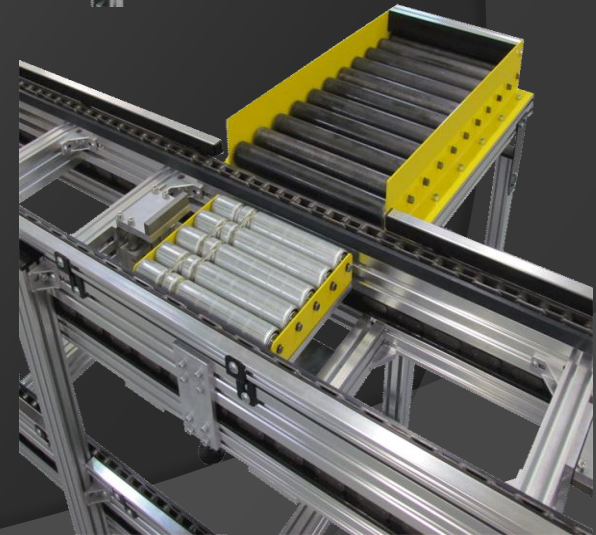

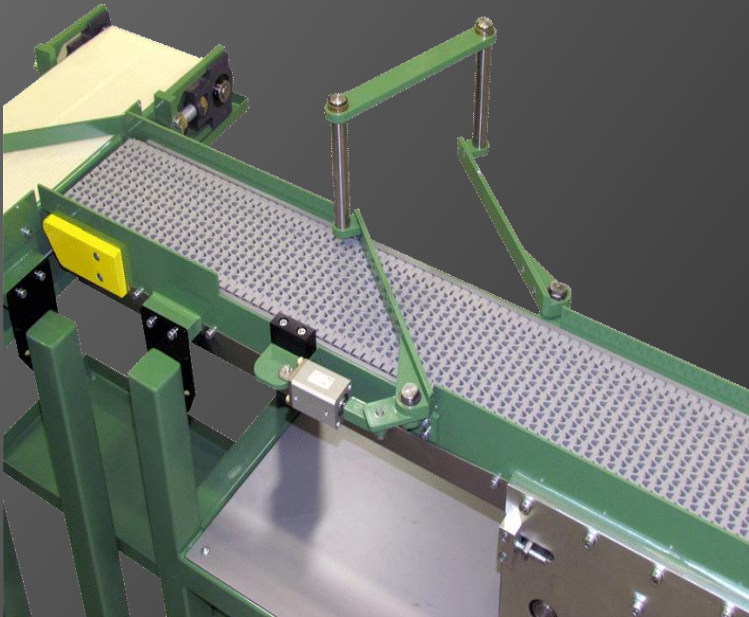

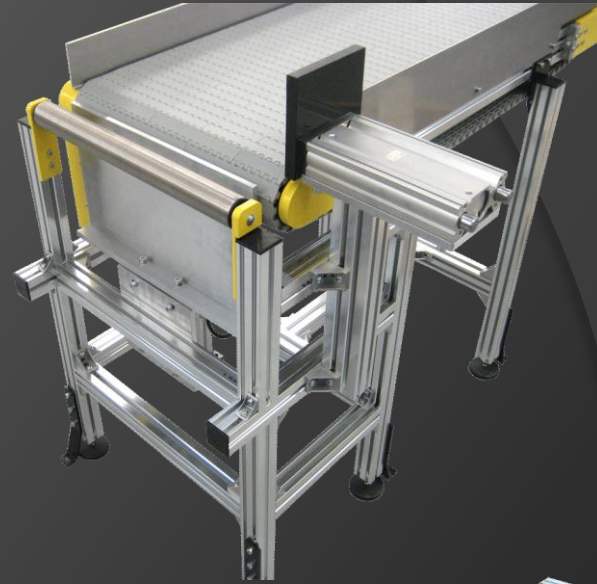

Solutions for your Conveying

*Pushers

*Diverters

*Pop-Up Roller Transfers

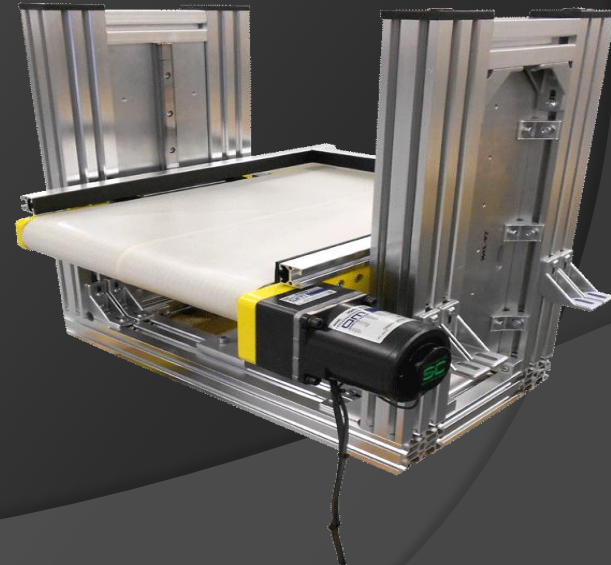

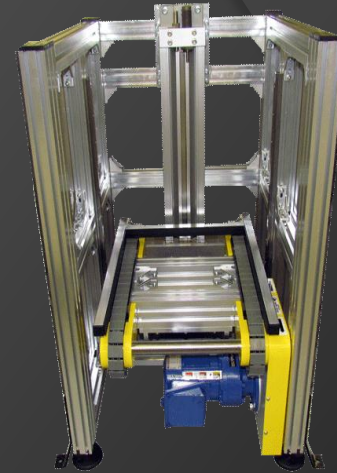

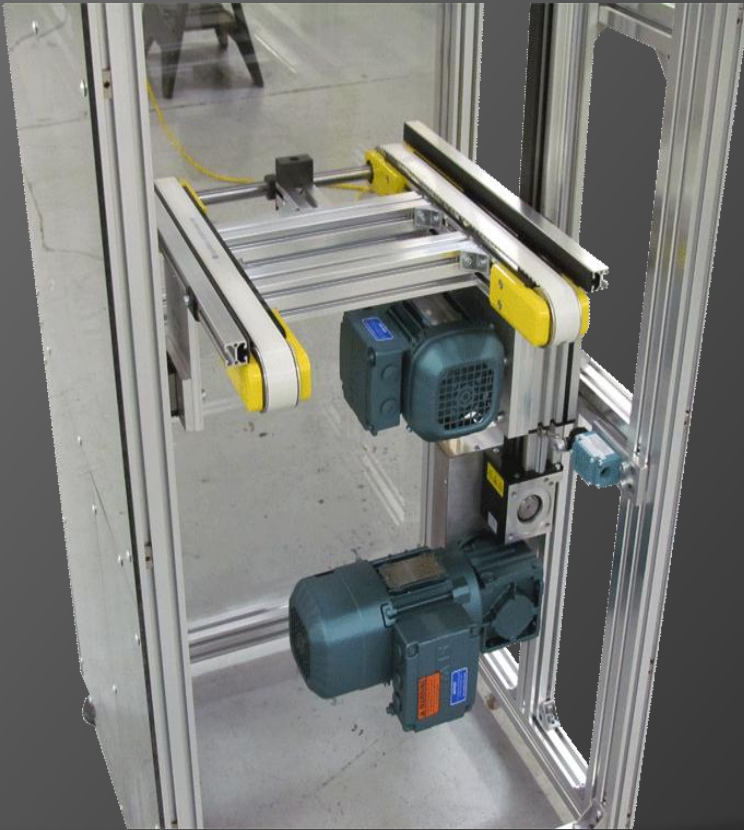

Mechanical Accessories

Solutions for your Conveying

*Electric & Pneumatic Lowerator / Elevators

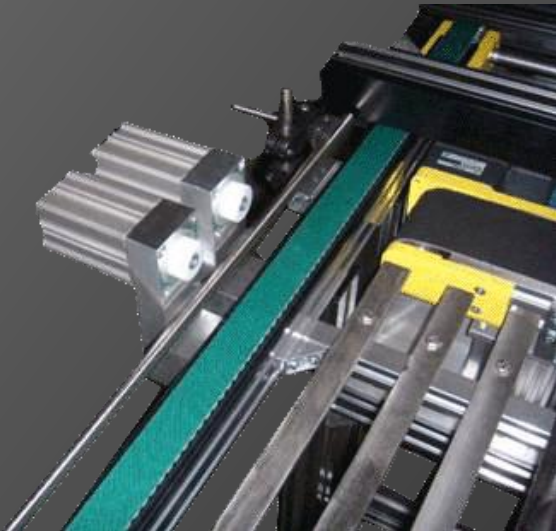

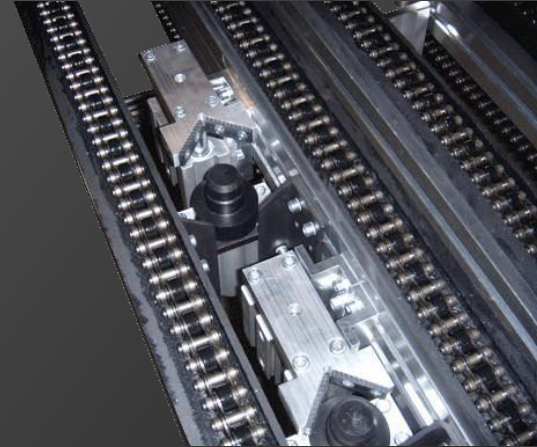

Mechanical Accessories

Solutions for your Conveying Applications

- *Pop Up Transfer Belt Transfer
- *Metering Stops
- *Lift & Locate

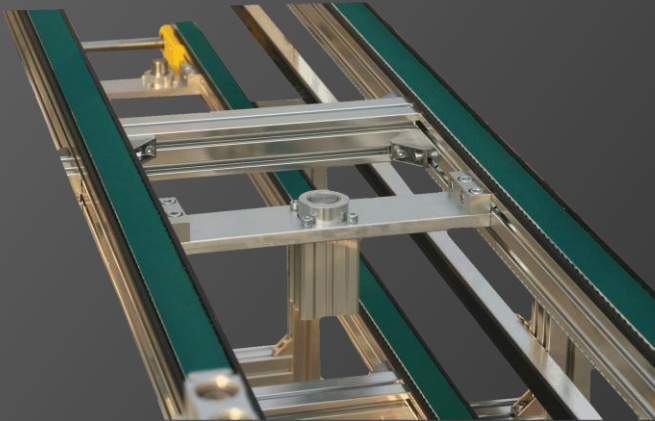

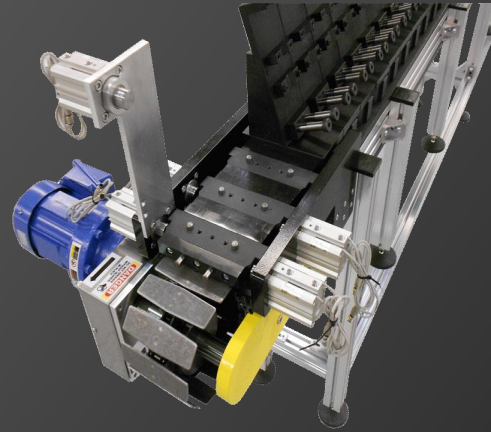

Mechanical Accessories

Solutions for your Conveying Applications

- *Stops
- *Pushers / Crowders
- *Part Orienters

Mechanical Accessories

Solutions for your Conveying Applications

*Turns

*90,180 & Custom

Electrical Accessories

Solutions for your Conveying Applications

- *Photo-eyes
- *Prox Switches
- *J-Boxes

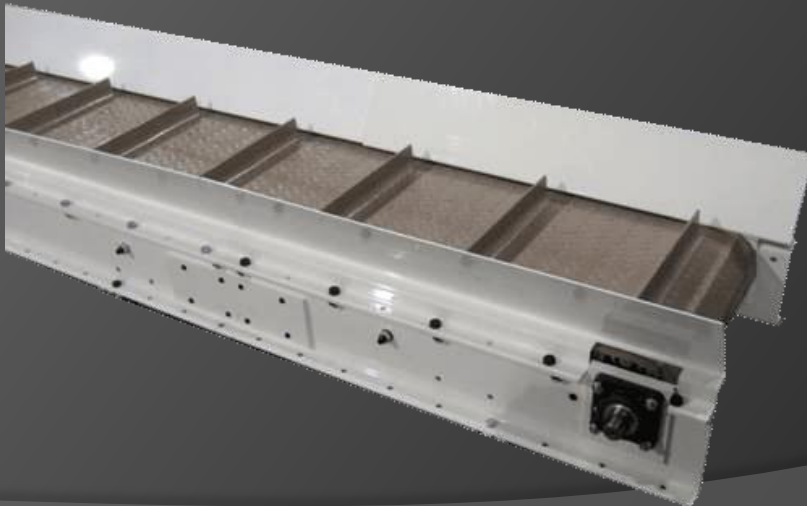

Solutions for your Conveying Applications

Heavy Duty Steel Conveyors :

- *Heavy Duty Modular Plastic
- *Heavy Duty Flat Belt
- * Heavy Duty Flat Belt Over Roller

Heavy Duty Steel

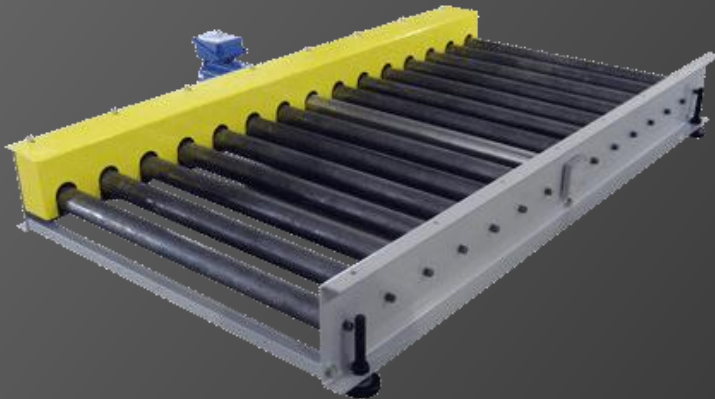

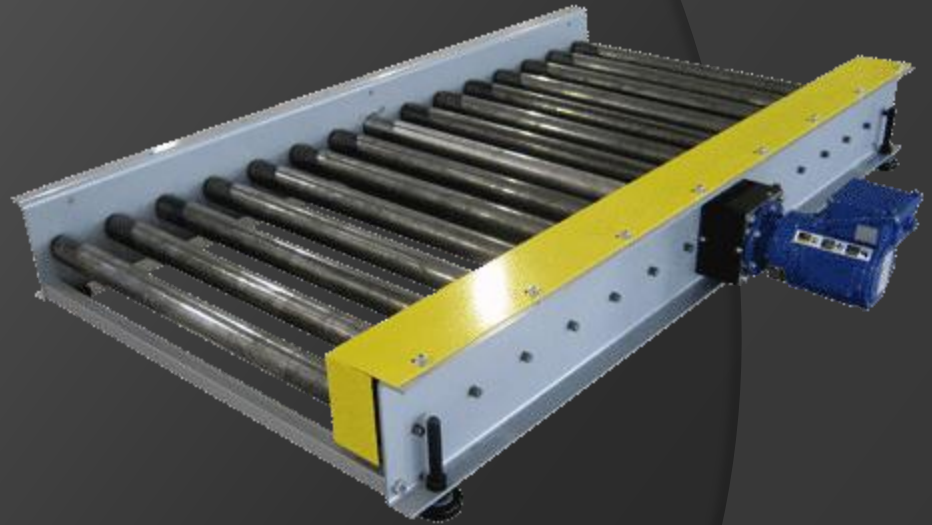

Heavy Duty Steel

Solutions for your Conveying Applications

Heavy Duty Steel Conveyors :

*Low Profile Chain Drive Live Roller

Solutions for your Conveying Applications

Custom Rotary Tables
